A major advantages for your attendees

Use the mainzplus-Congress-Card

Enable your attendees to use public transportation with the mainzplus-Congress-Card. The ticket is provided by the event organizer and is valid for travel to and from the event (including Frankfurt Airport) as well as within the Mainz / Wiesbaden metropolitan area.

It is valid on the day of the event from five hours before the start until the end of service (5:00 a.m. the following day).

How does the mainzplus-Congress-Card work?

- Please let us know the **duration** of your convention and the **estimated number** of attendees at least **eight** weeks before the event begins—ideally before tickets go on sale.
- You will then receive **voucher codes** for the mainzplus-Congress-Card. Alternatively, you can use your own numbering system if you are using individual ticket codes as part of the registration process.
- Please provide the voucher codes to your attendees and inform them that they can use public transportation free of charge.
- Attendees **activate** their public transportation ticket for the entire duration of the convention using the respective voucher code on the KombiTicket portal of Mainzer Mobilität.
- **Billing** is based on the number of attendees and will be included in the final invoice for the event. The mainzplus-Congress-Card is designed as a comprehensive service and can therefore only be booked for all attendees.
